Commission on
Collegiate Nursing
Education

Serving the
Public Interest
Through Quality
Accreditation

Dear Dr. Bavier:

On behalf of the Commission on Collegiate Nursing Education (CCNE), I am pleased to advise you that at its meeting on June 23, 2011, the CCNE Board of Commissioners reviewed the continuous improvement progress report submitted by the baccalaureate degree program in nursing and master's degree program in nursing at the University of Connecticut and determined that the programs continue to meet all accreditation standards.

According to our records, the next on-site evaluation of the baccalaureate degree program in nursing and master's degree program in nursing should be scheduled for spring of 2015. Approximately 12-18 months prior to the time the on-site evaluation is to be scheduled, you will be contacted by CCNE staff with information on initiating the reevaluation process.

As a reminder, programs are expected to continue to comply with the CCNE standards and procedures throughout the period of accreditation, and to demonstrate continued compliance by means of periodic reporting. Reporting requirements for all accredited programs include advising CCNE in the event of any substantive change in the programs or of any major organizational changes that may affect the programs' administration, scope, or quality. Substantive change notifications must be submitted to CCNE no earlier than 90 days prior to implementation or occurrence of the change, but no later than 90 after implementation or occurrence of the change. These reporting requirements, along with the completion of an annual report are detailed in the CCNE *Procedures for Accreditation of Baccalaureate and Graduate Degree Nursing Programs*, available at <http://www.aacn.nche.edu/Accreditation/pdf/Procedures.pdf>.

All programs are required to conform to the CCNE *Standards for Accreditation of Baccalaureate and Graduate Degree Nursing Programs*, amended April 2009, available at <http://www.aacn.nche.edu/Accreditation/pdf/standards09.pdf>.

The Commissioners join me in expressing our best wishes as you proceed with tasks important to the future of your nursing programs.

Sincerely,

Carol Ledbetter, PhD, FNP, BC, FAAN
Chair, CCNE Board of Commissioners
